

## What does S2S do?

S2S is a club that welcomes new families to James Clemens and the Madison community. While we serve everyone, we place a special focus on serving military families and welcoming them to our school. S2S members give tours of the school, put together socials to encourage new students to mix and mingle, and thank our veterans for their service to our country.

## How can I sign up?

- To become an S2S member, candidates must be able to be active in the club. S2S officers and sponsors will evaluate candidates qualifications to join through a \_\_\_\_\_ n application process. To complete the application, scan the QR code below (try using Snapchat, your camera, or another QR code reader app):

- To apply to be an S2S member, you must have at least two teacher recommendations. Please cut the below slips to give to your teachers. It is your job to make sure that your teachers complete the recommendation.
