December Challenge:

Continue to ensure your child gets 10-12 hours of sleep, even during the holidays.

Reading: Wonders Unit 3 Week 3

Phonological Awareness Skill: Identifying the beginning sound in words

Phonics: identifying the letter Cc; producing and applying the /c/ sound

Sight Word: his, how

Vocabulary Words: intelligent, local, neighborhood, routine, volunteer

Comprehension: visualization; identifying story elements- character, setting, and events

Math: Big Ideas Chapter 6 - Add Numbers Within 10

Students will tell how many objects there are to start, how many objects are added to a group, and how many objects there are in all.

Students will tell what a plus and equal sign mean and explain an addition sentence.

Students will write an addition sentence.

Students will write an addition sentence with partner numbers.

Important Information

December is full of several assessments. We will be taking our DIBELS benchmark tests December 1st. We will be taking the iReady Reading and iReady Math test during November 28th - December 2nd. We will begin assessing for Report Cards on December 5th. This is one reason why this month's challenge is so important. The students' behavior and focus is improved with a good night's rest.
