How Dual Enrollment Works

The dual enrollment page on our JCHS website will offer links will offer more information pertaining to dual enrollment.

If the course desired requires an ACT score, you will need these scores in hand no later than April 30th for the fall. If not, place your dual enrollment in the spring.

By The Numbers

- 1 Check the requirements for your college of choice per our JCHS webpage.
- 2 Apply to the college online via the college's website.
- 3 Meet with the dual enrollment counselor and/or your JCHS counselor for class selection.
- 4 Submit your course registration paperwork to your JCHS counselor.

How JCHS Scheduling

Works

If the course desired requires an ACT score, you will need these scores in hand no later than April 30th for the fall. If not, place your dual enrollment in the spring.

Take 2 blocks for an in-person dual course, and take 1-2 blocks for a virtual dual enrollment course.
