During the scheduling process, there may be conflicts between core courses and electives. Due to conflicts, I am not guaranteed all of my requested elective courses. I have read the course catalog and understand the requirements. I have reviewed the course selections and chosen requests for both semesters. I approve the courses and alternates my child has selected for the 2026-2027 school year and understand that there are no schedule changes after April 6, 2026, even if my child changes his/her mind about a course.
