<b>Course Description</b>	<p>8th Grade Honors Language Arts is an accelerated learning environment, which requires students to work more independently in class and at home. Students are required to read at and above grade-level texts independently and at an accelerated pace. To help students prepare for college and future careers, the foundation for 8th Grade Honors Language Arts stems from the Alabama College and Career Ready Standards for incoming 8th graders who will eventually progress to 9th Grade Pre-AP English. Students will collaboratively then independently participate in the research process and compose a published product of their findings. Students will also implement Madison City’s writing curriculum, Claim-Data-Commentary in written responses. Reading, writing, speaking, listening, and collaborative strategies are used purposefully to build knowledge and skills and to help students become independent readers, writers, and thinkers as they transition into high school. The primary goals of the course are to foster independent learning, encourage in-depth exploration of the content, and develop academic habits of mind. <b>Outside/home and summer reading are required.</b></p>
<b>Course Objectives</b>	<p>Students will develop and strengthen critical thinking skills by reading, comprehending, and engaging with both literary and informational texts. Students will make text-to-text, text-to-world, and text-to-self connections. Students will be able to identify, define, and duplicate examples of figurative language found in texts. They will demonstrate their understanding of the text through various formative and summative assessments. Students will display the convergence of their independent thoughts and textual examples in the writing of paragraphs and essays, as well as develop clear and concise writing skills through the execution of writing assignments and the application of proofreading and editing skills. Students will also improve their writing through the increased understanding and application of grammar, mechanics, and vocabulary skills. Students will be able to respectfully engage critically and constructively in a dialogue of ideas through class discussion, small group assignments, and project-based learning. Students will develop and display clear written and verbal communication skills.</p>
<b>Course Outline</b>	<p><b>Unit 1: <i>Drums, Girls, and Dangerous Pie</i> by Jason Reynolds</b>  <b>Unit 2: <i>The Outsiders</i> by S. E. Hinton</b>  <b>Unit 3: Short Stories</b>  <b>Unit 4: <i>The Diary of Anne Frank (Play Version)</i> by Frances Goodrich and Albert Hackett</b>  <b>Unit 5: <i>Fahrenheit 451</i> by Ray Bradbury</b>  <b>Unit 6: <i>Twelfth Night</i> by William Shakespeare (No Fear Shakespeare version)</b>  <b>Unit 7: <i>The Alchemist</i> by Paulo Coelho</b></p> <p>Novel sales will take place in August, 2023.
